

BUDAPEST UNIVERSITY OF TECHNOLOGY AND ECONOMICS

Further measures in relation to enhanced epidemiological protection March 12, 2020

In the Government Decree 40/2020. (III. 11.) the Government of Hungary declared a state of emergency throughout Hungary. Additional detailed rules are specified in the Government Decree 41/2020. (III. 12.), being effective from March 12, 2020. Based on the government decrees and written instructions from the Ministry of Innovation and Technology, the Coordination Committee will enforce the following measures from 4:00 pm on March 12, 2020:

Provisions for dormitories and dormitory residents

1. Hungarian citizen dormitory residents must leave dormitories by the end of the day on March 13, 2020, and return to their homes. **International students may continue to stay in dormitories.**
2. According to the order of the Ministry, the Rector can – on the basis of equity – allow a Hungarian citizen dormitory resident to reside in the dormitory from March 14, 2020, only if he or she has no place to return home. Student shall submit the request on staying in dormitory to the central email address covid19info@mail.bme.hu. Irrespective of the submission of the request, the dormitory shall be left.
3. From 12.00am on March 14, 2020, Hungarian students and doctoral students entitled to reside through the special permit, and foreign students may stay in the dormitory. Visitors are not allowed in the dormitory area.
4. Community programs and events are not allowed in the dormitories.
