Fostering research integrity practices within the institutions

*Guests: Borana Taraj, Senior Community and Project Manager, EARMA ERION
Mathieu van Kooten, Policy Officer, Erasmus University Rotterdam*

Discussing research integrity is vital as it contributes to an open, safe, and inclusive research culture. We are going to present two ways of fostering research integrity practices within institutions. EARMA ERION is a network for research integrity professionals all over Europe. The Dilemma Game app, an online game has been developed by Erasmus University Rotterdam (EUR) to stimulate awareness of, and an open and critical discussion about integrity and professionalism in research.
